This attachment is being sent to the current Mayor, current CEO, past CEO (David Farmer), all current councillors and to the Cairns Post newspaper.

**"One"** direct, democratic question from Aart Brons, double ratepayer, brothel owner & licensee, **to you councilor.**

What happened to the Queensland Prostitution Licensing Authority's 'letter of advice/comment' dated 10-03-2004 and why was this vital document (stamped Queensland State Government) third party reference - withheld from the special environment and planning meeting held on the 22-07-04?

Why did **you** not get a chance to vote on this **vital information?**

Remember Council **lost** at a great cost to ratepayers and this question must be awarded soon.

David Farmer CEO of Cairns City Council from 2000 - 2006 ran to Wollongong NSW (of all places) but will be recalled on this issue.

Wollongong council has been in the news lately for all the wrong reasons.

If I Aart Brons do not get a satisfactory democratic answer to this real important but simple question A.S.A.P then the full story as read in [www.aartbrons.com](http://www.aartbrons.com) will go to the **national media** just as Wollongong city council's shit hit the fan in NSW.

I must have an answer before voting day on March 15 2008, as this has happened on **your** watch, and must stick **as mud** on **your** portfolio if this vital question remains unanswered.

Kind Regards

Aart Brons  
Brothel Owner and Licensee

Dear Sir

**THIRD PARTY ADVICE FROM PROSTITUTION LICENSING  
AUTHORITY, BROTHEL, 11 CAVA CLOSE, BUNGALOW,  
DEVELOPMENT APPLICATION 8/8/564**

I refer to your recent letter to Council and hereby re-provide a response given to you to in October last year.

"Council refers to your enquiry received on Friday 28 September 2007 which states as follows :

*"Please explain where did Hon Judge W J Carter's QC letter of comment from the PLA land up in connection to the 11 Cava Close Bungalow brothel application. The aardvark still wants to know, and will not rest until he does."*

Request was made from Council to the Prostitution Licensing Authority (PLA) for Third Party Advice by letter dated 28 February 2004. In response Council received correspondence from the Prostitution Licensing Authority which included a letter from Hon Judge W J Carter QC dated 12 March 2004.

It is not standard practice for a physical copy of all correspondence received by Council to be actually presented to Council. Instead it is usual that the issue raised is summarised and duly reported where appropriate.

Council at the Ordinary Meeting held on 22 July 2004 considered a report that recommended that the application proceed as Impact Assessable and required public notification.

The letter from the PLA was considered by officers as part of this report, however as concluded in the "Planning Comment" it was considered that the application should be Impact Assessable, in order for the community to have their views considered by Council."

Again I trust this above advice answers your enquiry to the extent that there is no further discussion on this matter required.

Yours faithfully

---

**General Manager City Development**

In response to the letter sent on 29-02 2008

General Manager City Development.- [PETER TABULO](#)

This letter is also being forwarded to your current CEO- [NOEL BRIGGS](#)

I have read The Professional Planner's "**excuse**" in the Cairns Post newspaper on two occasions and it **does not** reflect the truth.

As a **matter of fact**, the '[withheld letter](#)' **surpassed** both you and the "Professional Planner" ranking, as it was addressed, on the 02/07/04 in a letter to re-assess the coding, to the Chief Executive Officer, your boss at the time, David Farmer sent by Morrow Petersen Solicitors and my Council Mr Stewart M Ure. ([As per attachment](#))

**Now** can you please give me a true answer to a simple question. If **you cannot**, then put the question to your [current CEO](#) and seek some advice on this. The extracts in that letter were from the '[withheld letter](#)' sent to [David Farmer CEO](#) from the PLA and was signed by [The Honorable W J Carter QC](#).

As a ratepayer and a victim I now expect a true and honest democratic answer to a very easy democratic question...why was the letter, put to the CEO of Cairns City Council by my legal team Morrow Petersen solicitors and my Council Mr Stewart M Ure, not in the report to the [special Planning and Environment meeting held on the 22/07/04](#).

By the way, [the planner's report](#) to council also states that the amendment of the QLD Prostitution Act **was** taken into consideration by Hon judge White.

## **THIS WOULD HAVE BEEN ILLEGAL FOR HIM TO DO SO**

So therefore again **fraudulent reporting** by the Planning Department to councillors to vote on at their [special planning and environment meeting held on the 22-07-04](#).

**There are serious consequences for twisting the truth to a Judge's reading**

**I strongly advise you not to use the excuse of 57 submissions again!!!**

As not one was registered to the court room of The Hon JUDGE WHITE.

**NOT ONE PAID THE \$30.00 REGISTRATION FEE TO BECOME A CO-RESPONDENT.**

"2" [http://aarttheardvark.com/RE\\_Jason\\_%20OBrien.html](http://aarttheardvark.com/RE_Jason_%20OBrien.html)

This is where perjury has seen to have been committed, as they did land up in the Hon Judge White's Chambers.!!!

**They should never have seen the light of day in Judge White's Court Room. The Question to ask is.**

Why did my Legal team as in **Bebe Mellick Lawyer, and my Barrister Wayne Cochrane.** not have these illegal submissions, in my defence, scrubbed out.??? Only the Lord knows.!!!.

Maybe it has something to do with the fact that Wayne works mostly with and for Mc Donald's Lawyer's.???

I strongly believe that this is where my case got rolled and screwed over.

**Collusion between all parties in Judge White's Court Room.**

Do understand that, I Aart Brons was also spokesperson in Grant v Cairns City Council. Refer to: [www.aartbrons.com](http://www.aartbrons.com)

We will get to that as the clock turns back, this whole mess has been Costly, hurtful, and time consuming to me, and Cairns Rate payers. Remember Cairns City Council lost their case in a second attempt to keep me out, They were unsuccessful in putting forward their perjured case and with it **perjured themselves a second time.**

Refer to: [http://aarttheardvark.com/att/Judge\\_Skoein.pdf](http://aarttheardvark.com/att/Judge_Skoein.pdf)

**Ooh by the way** I refer you to Cairns Council policy on children playing in drains: **CROAK, CROAK, DADDY** [https://www.cairns.qld.gov.au/\\_data/assets/pdf\\_file/0004/10957/FactSheet.pdf](https://www.cairns.qld.gov.au/_data/assets/pdf_file/0004/10957/FactSheet.pdf)

This makes the so called lobbied up submissions by Jason O'Brien so absurd. "1" [http://aarttheardvark.com/att/cairns\\_City\\_Council\\_dirt\\_%20file\\_Jason\\_o\\_brien.pdf](http://aarttheardvark.com/att/cairns_City_Council_dirt_%20file_Jason_o_brien.pdf)

Then for Cairns City Council to obstruct a "**SAFE HOUSE**" for prostitution to be established in Cairns, upholding the application through fraudulent reporting by the then Chief Town Planner and acting C.E.O. at times Peter Tabulo, working for the then **Mayor Kevin Byrne and the then C.E.O David Farmer and also the then so called "Unity Team" PPffff.**

**I look forward to your response on both urgent questions.**

Yours sincerely.
